

## **MAKING CONNECTIONS**

Come join us to gain skills that will make your college experience better. Learn to express your needs and desires, gain confidence, increase conversation skills, connect with potential friends, share common interests, and learn strategies that will allow you to be more successful in your classes and throughout your college experience!

Groups will begin Thursday, September 8th, 2016 and continue through the autumn semester. We meet twice a week. You are welcome to join one or both groups. All are welcome!
