### Overview

The following section is a brief statement relating the purpose of the SOP as well as any relevant background information:

Use this procedure to report and forward potential SPAM, JUNK and or PHISHING emails as an attachment.

### Scope

The following section identifies the intended audience and use of the SOP:

All CSCC employees and or students that receive potential SPAM, JUNK and or PHISHING emails.

### Procedure

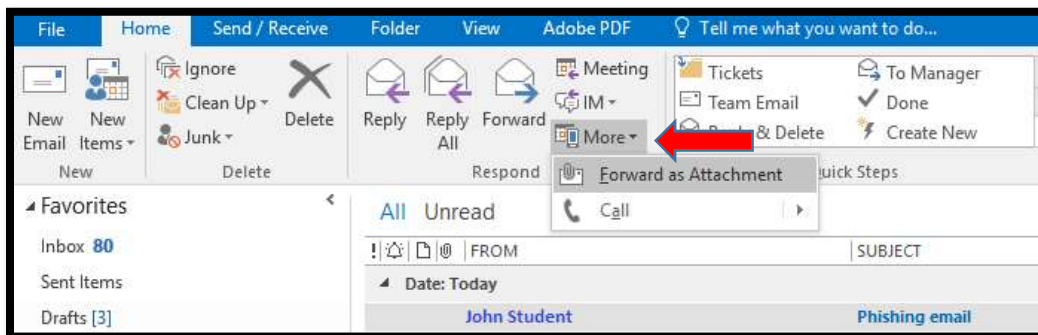

The following section defines the actual steps that need to be taken in order to accomplish the task defined by this procedure:

#### OUTLOOK

1. Click on the email message that is potentially a **SPAM, JUNK** or **PHISHING** message

2. Click **More** on the tool board, and **Forward as Attachment**

# COLUMBUS STATE

## COMMUNITY COLLEGE

### WEB OUTLOOK

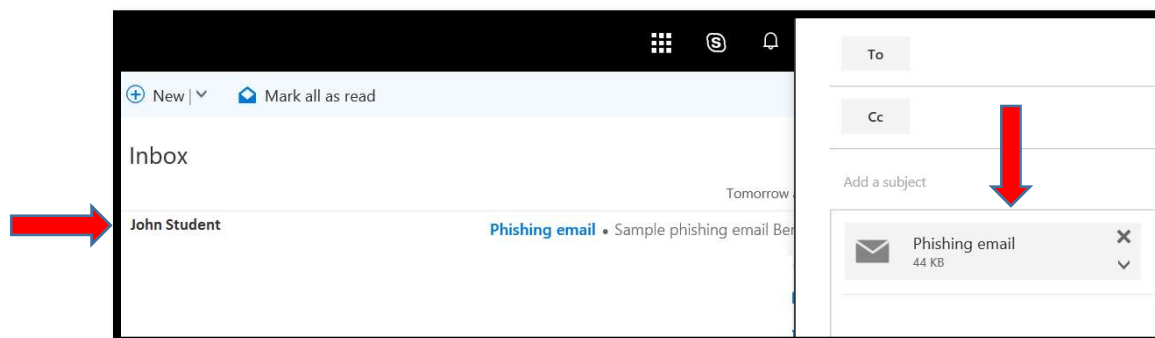

1. Compose a “**New**” email message

2. Edit the new message in a separate window by clicking on the cascaded windows

3. Click and Drag the email message from your inbox to the new email message

### REPORT SPAM:

Forward a copy of the email message, as an attachment:

[junk@office365.microsoft.com](mailto:junk@office365.microsoft.com)

### REPORT PHISHING:

Forward a copy of the email message, as an attachment:

[abuse@csc.edu](mailto:abuse@csc.edu)
