

Staff Advisory Council

BUILDING A STRONG, CONNECTED
EMPLOYEE COMMUNITY.

Your Connection to College Leadership

The Staff Advisory Council (SAC) is made up of a group of dedicated volunteers from departments and divisions throughout the College. We're your co-workers, colleagues and friends, so you can be confident that we share your desire for a great working environment at Columbus State.

Commissioned by our College president and sanctioned by our Board of Trustees, SAC serves an important link between staff members and College leadership. We are your liaisons to College leadership regarding ideas and issues that impact Columbus State staff.

SAC serves College employees by:

- Evaluating and making recommendations about institutional and staff development initiatives
- Participating in the Ohio Staff Council of Higher Education (OSCHE), a statewide organization dedicated to establishing and sharing best practices
- Maintaining and awarding a Book Scholarship Fund for staff and students who are taking Columbus State classes
- Serving on College committees to improve College practices and initiatives
- Providing a forum for members to demonstrate leadership skills

Monthly SAC Meetings

You can meet with a SAC representative by contacting us at sac@csc.edu or by joining our monthly council meetings.

Council meetings are held on the second Thursday of the month and are open to all College employees. Matters to be discussed can be initiated by any staff member, council member or by the president.

We invite you to join us whenever you have the opportunity!

SAC Events

The most important contribution SAC makes to the College is fostering a community where employees are invested and know they are valued. Each year, SAC sponsors events that bring staff members together in service, education and celebration:

- Cougar Challenge 5K race, which raises funds for book scholarships
- Staff social outings to various venues and events around Columbus
- Employee Appreciation Day, held each fall on our Columbus Campus and Delaware Campus
- Charity drives to benefit local organizations
- Enrichment seminars for employees on topics including wellness, financial management, professional development and more!

“Staff Advisory Council members serve an important role within the College. It is wonderful to serve together in such a valuable collaborative effort.”

Lynda Anderson-Casey, Executive Director of Human Resources and Executive Sponsor of SAC
